

THE 5th ANNUAL
INSPIRE
EXCELLENCE
AWARDS LUNCHEON

ABOUT OUR ORGANIZATION | **INSPIRE** EXCELLENCE

WHAT IS INSPIRE EXCELLENCE?

Inspire Excellence is a 501c3 nonprofit based in Boise, Idaho, dedicated to honoring inspiring Idahoans and supporting Idaho Youth.

WHAT DOES INSPIRE EXCELLENCE DO?

Inspire Excellence strives to support and uplift our community in two ways:

Each year, Inspire Excellence requests that the public nominate those who uplift, serve, and inspire others in their life to receive an Inspire Excellence Award. Nominations can include anyone living in Idaho regardless of occupation, age, gender, or scope of impact.

Winners receive a locally handmade award, a professionally filmed video about their philanthropic efforts, \$1,000 donated to a 501c3 charity of their choice, and are recognized at the Inspire Excellence Awards Luncheon hosted each fall.

Inspire Excellence funds the “Teens 2 Trades” program. In partnership with The College of Western Idaho (CWI), this program provides scholarships to Idaho Youth who are looking to enter the trades. Each year, our organization hosts the Teens 2 Trades Golf Scramble and the Inspire Excellence Awards Luncheons to raise funds for the Teens 2 Trades Scholarships.

HOW CAN YOU GET INVOLVED?
